County Superintendent of Schools

Amendment # 1

RFP # 20-105 Network Equipment – E-Rate YR 23 (2020-2021)

Placer County Office of Education has clarified the E-Rate RFP 20-105.

The clarification correction is located on page 5 of the RFP under the “Scope of work”.
The amendment clarifies the quantity of each part listed.

There was a typographical error on page five. The quantities were reversed for the two part numbers. The **correct quantities** are as follows:

The District's eligible network equipment include (or equivalent):

Part Number	Qty.	Description
Dell EMC N1548P	39	48 RJ45 10/100/1000Mb PoE+ auto-sensing ports
Dell EMC3048EP-ON	5	GbE switches for Layer 3 access

The Cost proposal which starts on page 18 of the RFP is included in this amendment to confirm all necessary changes:

The District's eligible Network Equipment include (or equivalent):
